

PARKING GARAGE FIRE 13th AUGUST 2019 DOUGLAS VILLAGE SHOPPING CENTRE

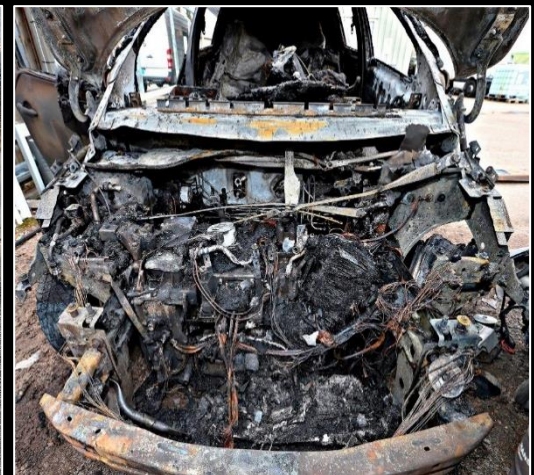

Millions of euros worth of damage was caused to a multi-story carpark in Cork and up to 60 cars were destroyed. It took 12 units – 8 tenders, 3 hydraulic platforms, 2 control units and a water tanker – and 3 hours to bring the fire under control. They then spent the night damping the fire down. Temperatures went as high as 600 to 1,000 degrees centigrade which caused some steel beams to bow. <https://www.facebook.com/watch/?v=2202042083257112>
